Hi Paul,

We will make sure the area is patrolled. The last demonstration we took care of the graffiti issues in your area. Unfortunately we cannot physically stop the folks, (we can detain if your staff wants to press charges) but we do observe and report as well as clean the area when the demonstration is complete. I have doubled my staff for both safety and maintenance for Friday and Saturday to assist with any issues that may arise. Please call me directly should we not meet or exceed your expectations. Good morning to all!

This is to request that the block (9th and Flower and Hope) in South Park receive appropriate attention tomorrow, during the planned protests. In the past years, the property was vandalized with graffiti, etc, during some demonstrations and protest matches.

I appreciate your attention to this matter, and thank you for all the assistance with keeping the area safe.
Have a great day, and safe Friday, and nice weekend.
